

APRIL COFFEE MORNING : "INTERNATIONAL FOOD FAIR 2013"

Text & photos : Meryn

Delicious delights from 9 countries (Finland, Indonesia, Japan, Malaysia, Poland, Singapore, South Korea, UK and USA) were on display for dish connoisseurs at Molek Pine Condominium in Taman Molek on Tuesday 8th April. This has really become a signature event. It's amazing the response we get from all the members and it has also touched everybody.

Food has always been a means of enhancing cultural exchange and strengthening relations between citizens of the world. So thank you very much to all participants!

*"A table of food good bring joy and purpose, it feeds the soul and the mind.
We have forgotten its place in our lives"
